The Most Important Knowledge You would Ever Read Implement and Live up to Forever

Most people/ you would desire in life ± to experience, a pill, which taken: would give you ALL what you want, in an instant. This knowledge, is such pill ± #0.1, #1/ the one, which works and lasts without any hangover or unwanted side effects, which provides unlimited health, #3 and that takes no time, journey, #2 of a lifetime ± rejecting all the darkness, shade within.

You have however to take it, to experience.

-

< R X ¶ Y H I R X Q G W K H E R R N where all the possible traps, variables, to follow to get the desired/ to get the fastest, most prolific results possible ± the best[840] way. Therefore, the only person to blame for not succeeding, at it ± is you.

You would get back to this book many times.

Power and achievement is measured not by the volume of knowledge attained, but by the sheer actions and courage who lead to their completion.

---

[840] The process/ #2: can be best understood by you ± the other way/ a closer to the reality of what it is & even simpler.

#1.11xE/ i.e. moral development of the individual people, something which would cause them to their indirect their attention on (or scare/ or to test them how they would behave, where they are), etc.. We live in a cause ± reality environment so for everything there must be a valid reason (causality)/ i.e. a tower F D Q ¶ W just pop up in front of you as it has to be build by someone ± similarly as with all the other things (it could, but because of this self-imposed limitations on this reality by the God/ Creator himself it has to be assigned for the entities populating it, to be done).

wants to work, is interested only in the easiest & simplest jobs (which might not be such, to the outer but for him ± or totally/ with limited IQ). Therefore, he does the job required by him in the process and does it ± excellent matter (in his thinking only/ i.e. L W H V V what anyone thinks). A book is released, as tasked by the Laws (God)/ #2 and it would be supplied to those for sure who earned the reasons to live (be kept, in this reality alive) as they continue their development willingly (lack of this knowledge might cause their deaths, due to ± effect chain involved i.e. eating bad foods, absence of knowledge in other fields/ you can only think of more ± not everyone is able to take such risks and has simply the time to focus on those areas for everybody important).
